

All that **Glitters** ...looks like a million

"All that Glitters ... Could Be a Million"

Plans for the Northumberland Hills Hospital Foundation tenth annual gala started the day after the ninth, which raised \$133,000. Nine galas had raised a total of \$850,000.

That's when the realization set in that \$150,000 would make it a million. A Million Dollars! Imagine. Can we? Of course we can, said co-chairs Kim Gordon and Wendy Ito. They and their trusty band of committed volunteers started work and *"All that Glitters.....Looks Like Million"* was born.

And what a night it was! The culmination of hundreds of hours of hard work, the creative genius of many, the generosity of sponsors and the magnificent prizes in the raffle and the silent and live auctions made for the perfect evening. Everything glittered, everything looked like a million, everything was inspired.

The hors d'oeuvres donated by local chefs from The Oasis, Daizies, Lolly Prinzen Catering, The Buttermilk Café, Rosewood Estates, Cathryn Thompson Catering and Darren Johns' Mercury Chocolates, the music of San Murata and Tony Quarrington, the dinner by Currah's Café and Catering, the sommelier selected dinner wines, and the Rick Levine Band, which made sure that the night was danced away, created a magical evening to remember. What a party it was.

When the tenth annual gala was over 300 guests, cabinet members and volunteers went home tired but elated. And wondering: Did we or didn't we?

It took a few days but when everything was counted the news came:
YES. WE. DID!

Thanks to the extraordinary generosity of everyone who participated, the 2010 Northumberland Hills Hospital Gala raised \$165,000, every penny of which will go to purchase essential medical equipment.

"All that Glitters ... Is Indeed a Million"
